Judgment

NOTE: The word "heart" appears approximately 1,000 times in the Bible.

Channeled Message from the Holy Father —1/31/18

*This is a very interesting message. I know when we give up our physical body suit that there is a "life review." I didn't think that there would be one prior to ascending **with** New Earth. It's actually not a "review" but a "judgment."*

Once again, Coeus selected the perfect night for his message. It was the January 31, 2018; the **Super Blue Blood Moon**.

The third angel poured out his bowl on the rivers and springs of water, and they became blood.

Translation: The 3rd angel poured out the moon (the bowl) on the rivers and springs of water, and they became blood; the reflection of the blood moon's light.

Then I heard the angel in charge of the waters say: "You are just in these judgments, O Holy One, you who are and who were;..."

*Translation: And what did I say, "You are right." when Coeus showed me my judgment; my transgressions? The dialect might be different, but they are the same meaning: **what you say is true or the truths.***

Think of shedding the "blood" as the deceits or pains that were caused or shed, or being forced down your throats; drank up (drink). Then the "true" or "truths" as the tables "being turned" on them; exposing the lies.

(D) Coeus was showing me something, but I can't remember what it was about.

Judge and you will have to be judged. You have to be forgiven for your past...

(D) Hum, I heard the word Slaughterhouse.

(D) I hear a spoon tapping on a tea cup again to get my attention. I must have gotten side-tracked.

...transgressions, for which there are many dear heart.

(D) I was thinking or talking to Coeus that there has to be a lot of them, because I've had 100's of "lifetimes." Plus there are all those alternate energy realities that I discuss in my book.

(D) Certainly all these "transgressions" can't be in this one lifetime, or at least I hope not. If they are, I imagine they are small things, maybe a couple bigger ones; it's all a matter of perspective. I've always been "eager to please" everyone, and tried to act from my heart, so I can't imagine the magnitude that he is talking about.

(D) I'm getting a lightshow again with a lot of flashing white light.

It's not just for your actions, but your thoughts; which there were many.

(D) Argh. My mind runs a hundred miles per hour...seriously. I'm in BIG trouble. Everyone comments on how "quick" my brain works and that I'm some kind of freak of nature. It's kind of scary. LOL

Like rapid machine gun fire your thoughts spill out...

(D) I think that he's showing it to me in little camera flashes; one after the other. There are so many that I can't make anything out; they are that fast.

...in anger and confusion. Some of which was self-induced feelings of frustrations, over periods of lives and your thoughts that you reached in a moment...

(D) He's showing me when I was a man and I how I was mad about something. I had the attitude of, "well if you feel like that just get out of here" moment.

...of frustrations; of others acts of wanton cruelties perceived.

(D) It seems to have to do with a lot of masculine lifetimes. I realize some of these carry over to this one, as all lifetimes run concurrently; not in a linear fashion like people were lead to believe.

(D) I'm not big on conflict, so I usually avoid it or just tell someone to leave. I like it to be their idea, so I won't hurt their feelings; rather letting my own feelings get hurt, or I just run and hide. I was great at that as a kid, when all the "bickering" would start with the family dysfunction, I would just go out into the woods for a walk, or hide in the chicken coops with my animal friends.

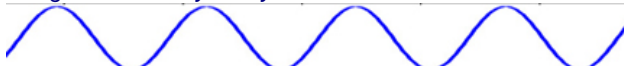

***That's self-imposed anger and dwelling in your own sorrows; a fortuitous enemy indeed.**

(D) Sigh. **You are right.** Roger always said, "You'll never get into anyone's head to figure out why they did, what they did to you. You're only tormenting yourself. Mr. Holycross was a very wise man indeed.

Forgiveness requires a deep look into ones own self's psyche.

(D) You're showing me with your hands a wavy line, like the one in the other channeled messages concerning **sine waves**. You said, "The truths exist in your minds ability to comprehend what's being said currently with your need to exist in the moments solitary." in that channeled message.

Self-imposed.

(D) Actually, Archangel Michael showed me that I was my own worst enemy a number of years ago, when we attuned our energies as one beautiful light being. I talk about it in my book.

(D) I kept stabbing myself in the back, over and over again, but I thought it was another woman

that looked like me doing the stabbing. Talk about "The Queen of De Nile." LOL Now I'm wondering if it was you and not Michael? You have the same colors; gold and blue.

(D) I've been trying not stab myself in the back anymore. I love myself now. Unfortunately it still has to be addressed during the "judgment" phase of the ascension process. I AM leaving old earth and moving into "heaven on earth"; New Earth, so technically a judgment or "life review" is definitely required.

(D) I've learned to confront people about these things in a nice way; without emotions attached, which is key to success. However, every once in a while, I still "duck and cover."

A lot of this comes from deciphering the truths, within; without. That's what it's all about Alphie.

(D) I believe that is why so many people are having illnesses. They are not releasing un-forgiveness within and without as you say. Argh, now I have sinus pressure.

(D) So, when we forgive, we must start with ourselves FIRST; then we can forgive others. It's like unconditionally loving yourself FIRST, before you can love another person 100%; AS IS. It's really the only way to truly and honestly love another being of any kind.

Be a peace ambassador.

(D) The energy colors are changing from Coeus to Athena, however, it still sounds like his words. I've had this happen before. It's like we are joining as "one" energy and I "feel" it as one vibrational energy.

Discordant energies exist throughout decay in human evolutionary...

(D) I thought you said "cycles," but I see the word "systems."

...systems cycles.

(D) Thanks. I literally "see" the energies shaking; quaking or rippling.

*******Shake it off.**

(D) LOL, I'm actually laying here shaking it off with my arms. Wow, it literally raised my vibrations. I'm buzzing all over. Shake it off!

(D) I was thinking about people that do drugs and alcohol that are looking for a high. But there is nothing as high as the high of the Holy Father's love through these vibrations. It just can't be achieved any other way. I'm laying here with a big smile on my face in such peace and bliss.

For in the truths lies happiness!

(D) And my little feet are wiggling with happiness.

****For the truths will set you free; self-imposed judgments.**

(D) I see what you mean. I could recap, but I believe most people would get it. They need to think about what you say. Do you want me to recap?

The truths need to be explained.

(D) So judgment is a big deal at the "end of time," isn't it? I talked about this a bit in my book. How people get stuck in Limbo/Tartarus/Hell after they die, because **it is the person who dies the physical death's own judgment** and nobody else's. It's "us" doing it to "us." Nobody else is

judging us.

(D) So the only way to free your “self” free from these old earth energies is to eradicate...

Or reduce.

(D) ...our own self-judgments.

(D) So we must forgive ourselves first. Then we can forgive others and love ourselves unconditionally. Only then can we love others unconditionally. Which in turn creates loving acts of service to others.

It's inevitable.

(D) I know that it sounds too simple, but it is the deepest torment of the mind.

****The wallowing in the shadows of your own darkness.**

NOTE: This is the 2nd time Coeus has mentioned "this topic of dwelling or wallowing the the shadows of your own darkness.

(D) So, I was laying here saying the Violet Flame prayer of forgiveness and the one for transmutation. My sinus' started to drain; congestion gone. Thank you Violet Flame!

(D) I've talked to Chris about this, trying to get him to say the prayers, because he has had severe sinus infections, allergies, bronchial infections, and asthma for over two years now.

(D) He has a lot of self-imposed frustrations. If he'd just say the prayers, he'd be over that tiny little hurtle of inner frustrations. He's so close to ridding himself of the old, dark earth energies.

(D) ***He needs to change his “old garments” in for new ones; make everything new again. It would wash him free; set himself free.

It would go out with the bath water. So don't throw the baby out with the bath water!

You have to know when to run and hide, and when to stand and fight; choose your battles well.

Let them go and free them.

(D) She has her arms in the air, waving them in the breeze. Little butterflies are coming off the end of her fingertips; gently releasing the energies through forgiveness.

(D) Goodbye little butterflies; goodbye!

Fly away; free yourself in the truths of the light of the Holy Father.

(D) That's interesting, because I always say that when I ascend, I'm going to bust apart into a million tiny pale blue/purple butterflies. We have them here in Tennessee. I see them in the Spring and Summer, getting a drink in the puddles of water. They are at such peace; it's such a beautiful site to behold indeed. Come to think of it, this is the energetic color that I see, just before Athena is heard.

(D) My sacred heart is huge and open right now.

The truths expand your hearts ability for knowingness through sacred acts of kindness to yourself and others. That is the grace, power, and authority of the truths. Kinder words have not been spoken for today's resolve will be tested and exposed, and

cannot be hidden.

(D) They showed me the eclipse for a minute; hiding the sun.

Today these cannot be hidden; not blocked out by the sun.

(D) I truly appreciate the heads up on that. I guess it's going to come out of the blue. I saw a person looking up and dogging something. Like, "where did that come from? It literally came out-of-the-blue. You can't hide from it, because it will get you.

You have to face it.

(D) LOL I saw someone take their hand, and motion it, in a circle around their face. So you have to face it.

(D) Interesting...I was thinking about the lady that came to the studio with her daughter yesterday, to purchase her bathroom tiles. I was explaining to her about how Athena was birthed out of Zeus' head, how "he" was born out of thought, as Athena is the perfect balance of the divine feminine and masculine. Nobody throughout history has never understood this image. They were trying to think how a full-grown being in armor, could immerge out of Zeus' cracked open skull and survive it. I could see what the artists were showing in their art immediately; **they were trying to show how he "thought" her/him into existence...**just like Father creates.

(D) The reason that Zeus thought Athena (me) into existence was to free him from a prophesy. If his "wife" gave birth to any sons that they would take his throne from him. What is interesting is this is very similar to Kings here on Earth. The 1st born son would inherit the throne, as we are mortal; not immortal like "Gods."

(D) Now pay attention here...**"the first-born son" would inherit the throne.** Jesus was the first born son and he will inherit the throne of God. I think that's in the Bible someplace.

(D) The Bible calls him the only begotten son of God, which is wrong. The word begotten means something different in Greek than Hebrew. It's a "dialect" thing. We are ALL children of the Holy Father.

(D) So The Christ is the first born son; a pure soul like me, a Christed One. This goes back to the story..."The Christed King who's peoples fell into a state of amnesia."

(D) I wish Coeus would finish the story, so I'll remember the truths.

They lost their knowingness. They masked the truths.

(D) Who are they? I'm asking the exact names of "them." I know who he's talking about.

(D) I had a flash of light and heard...

A Syrian King.

Wow, what an interesting day. As soon as I got to the farm the drama started. I had a message that the plumber was going to come out to the marina to work on their broken water lines and install my "head" pump. It's a new pump for the potty. That is when it all "hit-the-fan" as I say.

Since day one that I've been at this marina; August 2017, I've had nothing but lies and deceit by the staff. I had enough. I am NOT moving my boat. I like it here, so I took a stand and didn't run away.

I had a very serious talk with the management about the complete lack of communication and respect for their clients. It's a long story, but it has been one lie after another. Utter laziness and a complete lack of work ethics.

The owner actually showed up today, when I was talking to the manager. I told him exactly how I

felt and how disrespectfully I've been treated. He was acting a bit aloof and making lame excuses. I didn't let him get away with it either. I asked him how he would like to be treated the way that they have been treating me and I spent 15 minutes telling him every sickening and minute detail; asking him if he thought that was acceptable. I think he was embarrassed.

The new manager told me that things are going to be run differently from now on and that the many problems that I've been encountering won't happen again. I told him that I'm holding him accountable for those words and I'd be happy to put some written procedures in place for the entire staff. He said he thought that's a great idea to have something written down, especially checklists.

When I was driving back to the farm, I was rather proud of myself. I wished that Chris would have been there to hear it all. He's been on my for months to say something, but I'm a very passive and peaceful person.

Well, you won't believe this, or perhaps you will. The new manager at the marina gave me his cell phone number. I was going to enter it into my cell phone this morning and it's not even a phone number. So now I'll have to show him his piece of paper and tell him it looks like we got off on the wrong foot already. I'll need him to write it down again.

This is one of those battles that Athena was talking about; small stuff that doesn't require a fight; rather forgiveness and a second chance. It's funny, because I told the manager that I believe in second chances. Looks like he's going to get one.

Very appropriate. January 31, 2018 was a "Super Blue **Blood** Moon."

***Matthew 8, 28-34**

When he arrived at the other side in the region of the Gadarenes, two demon-possessed men coming from the tombs met him. They were so violent that no one could pass that way. "What do you want with us, Son of God?" they shouted. "Have you come here to torture us before the appointed time?" Some distance from them a large herd of pigs was feeding.

The demons begged Jesus, "If you drive us out, send us into the herd of pigs." He said to them, "Go!" So they came out and went into the pigs, and the whole herd rushed down the steep bank into the lake and died in the water. Those tending the pigs ran off, went into the town and reported all this, including what had happened to the demon-possessed men. Then the whole town went out to meet Jesus. And when they saw him, they pleaded with him to leave their region.

NOTE. Per a previous message from Coeus, **there are no demons**. It is our own, unaddressed darkness within and nobody else's. We "create" our own darkness within and without. When "they" came out, it doesn't necessarily mean the "demons," rather the unclean men that came out and went to be with the "pigs." Pigs are usually referred to as a dirty animal. Remember, you are reading a "parable" you need to use your knowingness and process the words through your heart; not your brain.

****John 8, 25-36**

"Who are you?" they asked.

"Just what I have been telling you from the beginning," Jesus replied. "**I have much to say in judgment of you**. But he who sent me is **trustworthy**, and what I have heard from him I tell the world."

They did not understand that he was telling them about his Father. So Jesus said, "When you have **lifted up** the Son of Man, then you will know that I am he and that I do nothing on my own but speak just what the Father has taught me. The one who sent me is with me; he has not left me alone, for I always do what pleases him." Even as he spoke, many believed in him.

To the Jews who had believed him, Jesus said, "If you hold to my teaching, you are really my disciples. **Then you will know the truth, and the truth will set you free.**"

They answered him, "We are Abraham's descendants and have never been slaves of anyone. How can you say that we shall be set free?"

Jesus replied, "Very **truly** I tell you, everyone who sins is a slave to sin. Now a slave has no permanent place in the family, but a son belongs to it forever. So if the Son sets you free, you will

be free indeed.

You might have notice Coeus words "lifted up" in other channeled messages. These words imply "ascension."

*****Revelation 21:5**

He who was seated on the throne said, "I am making everything new!" Then he said, "Write this down, for these words are trustworthy and true."

******Revelation 16, 4-7**

*The third angel poured out his bowl on the rivers and springs of water, and they became **blood**. Then I heard the angel in charge of the waters say: "You are just in these judgments, O Holy One, you who are and who were; for they have shed the **blood** of your holy people and your prophets, and you have given them blood to drink as they deserve." And I heard the altar respond:*

"Yes, Lord God Almighty, true and just are your judgments."

I ask you what the waters look like, when there is a blood moon sheds it's light over its waters? It becomes red; like blood. The Super Blue Blood Moon poured itself over the rivers and springs and they became like blood. Then the angel/God came to me and showed me my judgment. And TRUE (truthful) and just ARE his judgments.

*******Isaiah 52:2**

Shake off your dust; rise up, sit enthroned, Jerusalem. Free yourself from the chains on your neck, Daughter Zion, now a captive.
