Channeled messages from Coeus, God of Intellect

Please READ THEM IN ORDER. You might want to read each one a couple times; it helps. Coeus has a huge vocabulary and is very selective of his words.

coeus — God of Intellect (12/20/17)

Within the confines of ones own reality, exists the need to rationalize.

(D) Your scribe awaits. Please reiterate about Adam and Eve. Tell me the story about you and your brother going to Tartarus, which I believe is all messed up as well. I believe it had to do with the energies of truth being removed from Earth. I only caught parts of it.

(D) You aren't a "physical" being; rather an energetic being. People tend to think of castration as a physical thing, where the word means, "To remove or to render impotent or deprive of vitality especially by psychological means; to deprive of the testes."

Stimulations/simulations...

(D) Once again, it's a bunch of words; a grab-bag.

(D) Now he's showing me the light wave spiral thing again. What was that about again? I don't want to go back to that dream where people were getting smashed into the side of train cars by giant buffalo. Coeus reached out to me with an envelope. More songs. It's that song, "Baby it's cold outside" again. Baby I really can't stay... I'm seeing my grid now. It has some color around; cobalt blue and a yellow/green. I want to know the stories about you and Tartarus.

(D) It's like someone's saying things and showing me a bunch of drama!

(D) Now he's showing me light language again with songs. It seems to help me better translate; pulling everything

together. I feel like I'm in a musical.

It's a state of knowingness. It comes from within. It flows up and throughout.

(D) This is interesting. I'd describe this similar to inter-dimensional travel. It's a little ray of light between awake and asleep; a tiny little ray of light. This is like light shooting all over the place; like the ping pong ball that I mentioned bouncing around in a previous channeled message.

There's ? truths.

(D) This is interesting... When I got up in the morning to listen to the lengthy messages that I received on Adam and Eve, and the Tartarus topic, the On/Off switch on my new recorder was turned off to the the OFF position and I didn't do it.

It appears this information is not meant for the general population.

You can see the type of switch on the recorder. It's currently in the "ON" position, so it would have to "physically" be pushed to the OFF position.
