Channeled messages from Coeus, God of Intellect

Please READ THEM IN ORDER. You might want to read each one a couple times; it helps. Coeus has a huge vocabulary and is very selective of his words.

Song playing, "Do you want to Dance?"

[Beach Boys — Do you want to Dance](#)

(D) Do you, do you, do you, do you want to dance?

In case of the path to least resistance. Exactly 100 years ago...

(D) This seems very disjointed again.

(D) Who is this?

I couldn't resist the temptation to contact you.

(D) He's talking in an Irish brogue.

(D) Here we go again...

On a seedless, arduous of the extreme...

(D) This has to be Coeus. I'm waiting to hear your name.

My sunny disposition indicates that you lack the inability to decipher the truths.

(D) LOL, I know it's you; I just want to hear you say your name. You're just being goofy.

If you can hear anything, stand back.

*You are the Immanuel's wife.

(D) What does that mean? You called me the Bride of Christ during the wedding ceremony on CHRISTmas.

(D) I saw you look at something in your hand, sort of sad. You have a very big hand by the way. You took your fist and pushed it into the ground.

(D) I'm getting a headache.

The lies and truths are very deep within man's ability to comprehend the facts as they exist. The truths exist for those who seek it. Fertile truths exist for those that show the willingness to (?) at least their chosen path accurately within the game.

(D) This is kind of weird. First, I thought that I heard a boat on the water; like a motor boat. Then I saw a big yellow rubber

ducky going through a finish line.

(D) Then, I saw the White Cliff's of Dover. But I was wondering why there were not any trees on it. Then I thought that there isn't enough dirt there to root any trees.

Fertile grounds exist for those on the path to Ascension.

(D) I'm hot again. This feels like that "mixed up word game."

(D) So, I was telling Coeus that sometimes I doubt myself when I hear his words, because they feel like my words. And he said,

Parlavous France'

(D) Do I speak French? No.

Don't fight it; you're fighting.

(D) I'm trying not to.

 **So many stupid, erroneous...**

(D) What is that word? I'm trying. He's standing there doing a face and hand gesture like, "just spit the word out."

 **...signs.**

(D) Well that's cool. You kind of look like an owl now. You've got a puffed up chest and are so "perdy."

 **Positively gentleness.**

(D) Sorry, I'm just amazed how your little your feet are and that they can support that huge body; they are so tiny. With that big chest, you would think that you would topple over. You look beautiful and well balanced.

(D) Now he's showing me an old wooden top that spins; like the ones we had when we were kids. It was pointy at the bottom and bulbous at the top, yet it would spin and stay balanced.

(D) Oops, sorry, I got side tracked. Your colors are beautiful. You remind me of my old Bantam rooster Sam. You're not as reddish though; more rust. Sorry I was laughing; his center of gravity was much lower; you have a much higher one.

(D) And I loved Sam too. He was my little buddy; you're my old buddy.

 **Enough of drifting down memories lane, for time is a fortuitous foe indeed.**

(D) So, last time you were talking about simultaneous time events? I can't remember. Oh, about existing in the moment?

 **Simultaneous time events occur when ones ability to...**

(D) Something like a ball came out from you to me and I was going to catch it, but it went back around from where it started.

(D) My heart just felt like the beat was looping; for lack of better words.

(D) I saw a woman rushing in and out with a cape or something with a lantern saying, "You got to do something!"

Basically that's a time loop.

What's the best way to fly an organic pillow?

(D) What? Let's go with it.

Seeds in the wind will change...

(D) This is strange; I thought that I saw the words in the lower left corner.

...you just have to open up...

(D) He's showing me a cupboard door opening.

...and let them in.

(D) I kind of like this method; pictures, words, pictures words. I think it helps distract my brain.

And on that note, time is on my side.

(D) Song... Time is on my side. Yes it is...

(D) You'll come running back, you'll come running back, and you'll come running back to me.

(D) Oh, I thought that I lost you for a while. That's scary.

I've got to believe in you and your ? and ones own abilities to transcend...

(D) I felt like I was riding a bike down a winding road in Italy, down a hillside. I could see the ocean down below. It's quite lovely there.

(D) I probably should make a note of that...when I started to see the picture, I felt a small electronic jolt in my heart for a split second.

(D) *I think that picture finished his sentence. "I've got to believe in you and your ? and ones own abilities to transcend down a winding road.*

Time is on my side.

(D) *Yes it is.*

(D) *Wow, I have to get up and go to work!*

2 Corinthians 11

I hope you will put up with me in a little foolishness. Yes, please put up with me! I am jealous for you with a godly jealousy. I promised you to one husband, to Christ, [so that I might present you as a pure virgin to him.](#)

NOTE: the link above talks about how Athena was of a virgin birth.

If you have been following ALL of these messages, you'll have discovered that on [CHRISTMAS day](#), I completed the "Bride of Christ" ceremony. In the Bible it is called, "The Bride of the Lamb". For some reason, those EXACT words, "Bride of Christ" are nowhere to be found in any Bible, however Christians call it that very thing.

Later in Coeus' channeled messages, I became Immanuel's/[Emmanuel's Wife](#).

*Matthew 1:22-23

22 All this took place to fulfill what the Lord had said through the prophet:²³ "The virgin will conceive and give birth to a son, and they will call him Immanuel"^[1] (which means "God with us").

*The term "virgin" has nothing to do with the physical; rather the spiritual. How the spirit was created. Remember, we are "spirit having a physical experience;" NOT the other way around. **The Goddess Athena is of a "virgin" birth.***
