Channeled messages from Coeus,  
 God of Intellect

**Please READ THEM IN ORDER.** You might want to read each one a couple times; it helps. Coeus has a huge vocabulary and is **very** selective of his words. So, *when you hear a video of channeled messages, you will NEVER hear "uh," etc. These entities do NOT make errors in their words. They do not "grasp" at words. That is how you know that they are authentic as delivered.*

*.pdf files are available under the dates per channeled message.*

## Departing 3D Earth

**NOTE:** The word "**heart**" appears approximately 1,000 times in the Bible.

As usual, I'm speaking from my own experience, as it might differ from yours. We all have our own unique "role" or "journey" that was selected for us prior to our incarnation. You did this at your Oversoul-level.

The "normal" course of events for a physical death of the body involves the "removal" of ANY type of baggage that you cannot carry with you into the lower end of the light realms; the entry point to the Heavenly Light Realms. As Coeus has mentioned in his channeled messages; *"You must release what you carry."*

If you are not ascending with the planet, you first go onto the Astral Plane; without your body. Here you are cleansed by Archangel Azrael. He basically scares the "crap" off of you, removing all that you cannot carry. This can be quite the experience for most, as they have not addressed the lessons that agreed to resolve during their incarnation. They might have even added more to their bag; making it even heavier to carry.

Once the "debris" is removed, the gates open and your loved-ones are there to assist you in crossing into the light realms. Some make it, and some do not. If they don't make go, it is of their own free-will choice. I talk more about this in my book.

Many incarnate souls have been releasing old karmic baggage, by doing the inner-work; cleansing all that is unneeded. I know one of the hardest things was to not following any one chosen doctrine, as none of them felt completely truthful. My decent into Tartarus/Limbo/Hell showed me "the Way." It was quite obvious, per my book that the only think keeping these beings there was their own darkness and fear. There chains were of their own making; quite sad indeed.

You CANNOT become "God-like" without continually doing "the Work." You MUST look WITHIN; very closely. SEEK out any hidden darkness; no matter how small it might be, as it is YOURS and YOURS alone. These are the ONLY demons you see; YOURS. Get rid of them; transmute them into light. This "inner-SEEKING" is crucial to your smooth and successful transition with Gaia into the new planetary light system; which is absolutely magnanimous, just like the Holy Father.

Depending on your chosen path, some of us on the path to Ascension are keeping our physical bodies and graciously accepting the DNA upgrades. For me, this has been a deep journey; deeper than most, as I had to delve into the deepest of deep energies, to release my divine love Coeus from Tartarus, and my Earth Dad from his fears on the Astral Plane prior to his departure. Your journey has probably been equally as deep, but in different ways. It doesn't mean that one path is greater or lesser; just special. We are ALL loved the same, and there is a "light left on" for you too to follow.

IF you are on the path of Ascension, **it IS necessary to go through the same process, as you would if you were to give up the physical body.** There is one slight difference however; you still retain your physical upgraded form.

And the "parable" or a short story of the "truths" begins.

It was the morning of 3/29/18. I had received my judgment on the Super Blue Blood Moon on January 31, 2018, and since that time was wondering, *"What is taking so long to ascend? I don't want to make any mistakes and pick up any negative energies, and have to start all over again."* Hey, honesty is important when teaching others. I'm just as impatient as anyone else.

I, *"the Diane,"* was inter-dimensionally traversing the Astral Plane the morning of 3/29/18. I was driving a "car" with two other beings riding along with me, in the "backseat." I could see them in my "rear-view" mirror; I was looking "back," or taking a deep look WITHIN this incarnation. The two in my backseat seemed a bit frightened; although I was not at all. It was then that I spotted my dear friend Archangel Azrael, who was *"hot in pursuit"* of my "vehicle." I hope that you are all understanding the parable.

Azrael has come to me several times before a loved one was getting ready to leave, but I was NOT allowed to look upon him while wearing my *"organic body suit."* If you've been reading my book and blog articles, you might recall what Azrael said to me on one visit, *"It will be quite some time before you can look upon me or touch me."* You see, when Azrael gets to touch you; you are leaving or departing the 3rd dimension.

As I looked into the "rear-view" mirror, Azrael was gaining on me. There is no outrunning him, as the same thing MUST happen if you are to move into the lower end / higher light realms of "heaven," or the higher "dimensions" with the Ascension of Gaia.

Azrael quickly caught up to "us." First he touched the two riders in the backseat, and they instantly vanished. Then, my dear old friend held me gently from behind in his loving embrace. I could see his thin-skinned boney left arm across my chest and his right, boney fingers of charcoal gray on my shoulder. His head peaked out over my right shoulder to give me a scare, but he got nothing. Remember, you must choose your battles and this is NOT a battle, but a release from one. You are fighting a battle of Armageddon; a battle of the psyche.

Instead of fear; Azrael assisted me in releasing numerous, tiny little, pale lilac blue butterflies. *"Fly away into the light of the Holy Father little ones for transmutation."* It was quite beautiful. I wish that you were all there with me to experience this divine moment.

Azrael was assisting me, through his wonderful unconditional love, to release what it is that I carried. Sadly, most of humanity is unfamiliar with the feeling of unconditional love, as they do not love themselves, and insist on running from it; or in this case, trying to out-run it, which is futile.

Upon this beautiful release, I re-entered my body; anew. I opened my eyes, looked around, only to see everything still looked the same, just a bit fuzzy. I got dressed, jumped into my Jeep and drove to the farm. My vision was still a bit blurry during the drive; which has happened before during major energy shifts.

Upon arrival at the studio, I remembered that I needed *"transplant"* a few new baby plants into some larger pots, so their little roots could *"spread and grow."* I hope my parable hasn't lost any of you yet.

I started walking out to the barn, when a dimensional shift occurred. I was seeing double-worlds of sorts. It's not double vision, but a very slight overlay of two worlds. You'll know it when it happens.

Upon return to the studio and greenhouse, things seemed to "clear-up," and I *"transplanted,"* or should I say, *"trans-planeted"* my little plants into their pots. I gave them some water and placed them into the greenhouse to be nurtured and nourished by the *"sun."*

I went into the studio to start my "day-job," when I remembered that I needed to plant my fennel seeds that arrived in the mail the day prior. I went into the greenhouse, got down on my knees, and started placing the little seeds into their peat pods.

As I was ever so lovingly pushing the little seeds down into the center of the pods, I clearly heard, *"You don't live here anymore."* So basically I was wasting my time planting seeds and getting my gardens ready. I said, *"I hope that you don't mind, but I'm going to continue doing so, as I like it for grounding and just enjoy gardening."*

I looked around and everything appeared to "look" the same. Then I remembered a prior message from a few years ago, *"I'm sorry, but you'll have to watch."* Argh. I'm literally watching Old Earth and New Earth at the same time, awaiting for "Wild Fire," to cleanse the old, and the time that I will take Coeus' hand to ascend.

Patience IS required while on the path to ascension. The fun part now begins; the continual cleansing and full integration of my Oversoul; the Goddess Athena. Remember that this is an INNER journey; not an OUTER one, and it is as unique as you. Be up to "the Work." You can do it!

For those of you on this chosen path, it will be necessary for you to "unify your field of light." There are a couple guided meditations on YouTube.

Once your fields are unified, you will receive your name too. Please drop me an email, I'd LOVE to hear your name!

The next step will be to integrate your Oversoul into your physical vessel. I like to use the same unified field meditation, with a "tweaking" suggested by my most beloved husband; Coeus. He had me change the end of, *"Unified field of light"* to ***"Unified field of light of my consciousness."***

Blessings and a smooth transition to New Earth my beloved friends.
